MOBILE GROOMING SALON

POLICIES & YEARLY WAIVER

At Muddy Mabel Mobile Grooming Salon I take tremendous pride in my work. I strive for a stress free, comforting and clean environment for all pets that enter my mobile salon. That being said, I do reserve the right to refuse service if I believe your pet is overly stressed or aggressive. I do not want to cause harm to any pet or myself in the grooming process.

MATTED DOGS

It is the responsibility of the owner to maintain their pets coat between grooming. In the event your pet is matted and needs to be shaved I, the owner, is releasing Muddy Mabel Mobile Grooming Salon from any liability that may arise from nicks or cuts, razor burn, raw irritated skin or any other issue directly resulting from matted fur. Once the waiver is signed you agree that any vet bills that are incurred are your responsibility. The matting may result in an additional fee which is to be determined by the groomer.

SENIOR OR SPECIAL NEEDS

The safety and comfort of your pet is my number one concern. I ask that any known pre-existing issues, be released to me, the groomer, upon arrival. In case of any medical issue that may arise during grooming, the owner is hereby releasing Muddy Mabel Mobile Grooming Salon from any liability that may stem from your pets age or special needs. Pets that require special handling will incur an additional charge of \$25.00.

SEDATED DOGS

Grooming or handling a sedated dog can become dangerous. I ask that if your pet has been mildly sedated you make me aware before the grooming process begins. IF YOUR PET IS A BITER OR HAS SNAPPED AT THE GROOMER IN THE PAST, PLEASE MAKE ME AWARE PRIOR TO ME GROOMING YOUR PET. I would rather be prepared than surprised. *I will not groom dogs that require an injectable sedation.* I have the right to refuse service to dogs that are extremely aggressive.

Same day cancellations or no shows will result in a \$50.00 charge being added to your card. Muddy Mabel Mobile Grooming Salon is TRANSARMOR protected, so all credit card information is secured and encrypted.

ACCIDENTS

I strive to ensure the safest environment for your pet. However, I use very sharp instruments and pets, especially puppies, can be wiggly during the grooming process. I take every precaution, but unfortunately some situations are beyond my control. In the event of an accident during the grooming process I advise you seek veterinary treatment, which will be at the expense of the owner.

EAR PULLING/ANAL GLANDS/NAIL TRIMMING

Both of these services are something that I can offer. However, I strongly recommend the anal glands be done at a vet office to prevent any unnecessary injury to your pet (including but not limited to abscesses and ruptures). If there is an excessive amount of hair in the ear canal, I will do what is in the best interest of your pet without causing discomfort. Removing excessive ear hair may result in anything from rawness to split ears caused from head shaking due to ear infections. I cannot predict how an animal will react to grooming, so I advise keeping a close eye on your pet for any unusual behavior. In the event your pet is uncooperative for nail trimming, I can also try grinding as an alternative. In certain instances, this proves to be too stressful the pet will be returned to the owner without the nails being cut.

UNGROOMABLE PETS

In the event an appointment is booked and the animal is not able to be groomed due to aggression or any other issue, a \$50.00 charge will be applied to your card to help cover the time and gas of the groomer on call. If at least half of the work was completed the full price of the groom will be charged.

DOUBLE COATED BREEDS

Shaving a double coated breed (Husky, Akita, Chow, etc.) destroys their natural cooling system. Unless it is a case of severe matting or medical necessity we advise against doing so. Shaving a double coated breed could lead to alopecia, hair loss and in some instances heat stroke.

STANDING APPOINTMENTS

Each client will be asked to choose from a 2, 4, 6, or 8 week maintenance schedule rotation that is pre booked 3+ months in advance. This is something that will be discussed when your pet is dropped off. In the event a standing appointment needs to be rescheduled or canceled I will have to get your pet back on schedule for the following appointment. With that said, I will not be able to adjust all future appointments since they are booked in advance and all my clients are on rotating schedules. Missing two consecutive appointments will result in being taken off the rotation. Clients that take advantage of Mabel's Key on File Service as well as the Maintenance Grooming Schedule will always have priority when I schedule.
